

## Early Years Practitioner

DEPARTMENT: Nursery

DEPT PURPOSE: To deliver an outstanding Early years care and education provision for children aged 0-5 in line with the Early Years Foundation Stage (EYFS) framework, building a sense of community and belonging for the families that we support

REPORTING TO: Deputy Manager/ Early Years Practice Lead

DIRECT REPORTS: N/A

PURPOSE OF  
ROLE:

The Early Years Practitioner will provide high-quality care and learning in line with the Early Years Foundation Stage (EYFS) framework. The role focuses on supporting the learning, development and wellbeing of every child, creating an enabling environment where children feel safe, valued, motivated to learn and able to thrive.

IN PARTICULAR:

1. **Children, families and Inclusion:** Embed a child centred and nurturing approach, embracing and enabling a diverse community.
2. **Safeguarding, wellbeing and enabling environment:** A clear and unwavering commitment to keeping children safe and well at all times.
3. **Ambition, Organisation and development:** Work professionally and collaboratively to realise the high expectations we have for children, families, the Nursery and your own practice

### KEY RESPONSIBILITIES

#### Children, families and Inclusion

Key relationships (Children)

Build respectful, secure relationships with children through consistent, responsive care, demonstrating a strong understanding of child development and the importance of childhood.

Key relationships (Families)	Work in partnership with families, ensuring children's individual care and learning needs are met so they can learn and grow.
Teaching and learning	<p>Maintain a secure working knowledge of the EYFS and use effective teaching strategies to plan and deliver high-quality learning opportunities, contributing to the shared curriculum and pedagogical approach, holding high expectations for all children.</p> <p>Ensure that learning is tailored to children's individual interests, needs and stages of development.</p>
Child development	Use the setting's pedagogical methods, including digital tools, to observe, assess and track the development of key children and respond to teachable moments through high-quality interactions.
Inclusive practice	<p>Value and respect the contributions of every child, family member and colleague.</p> <p>Promote inclusive practice that supports all children to achieve, including those with SEND, EAL needs and emotional regulation challenges.</p>
<b>Safeguarding, wellbeing and enabling environments</b>	
Safeguarding of children	<p>Safeguard and promote the welfare of children at all times in line with EYFS statutory requirements and Nursery safeguarding policies and procedures.</p> <p>Recognise, respond to and report concerns regarding a child's welfare or development, following correct procedures and maintaining confidentiality at all times.</p>
Safeguarding responsibilities	Act responsibly to safeguard your own health and wellbeing and that of others, in line with Students' Union and Nursery

	<p>policies. This includes, maintaining all required statutory training, including Safeguarding, Paediatric First Aid and Food Hygiene.</p>
Physical environment	<p>Create and maintain a safe, clean, stimulating and inclusive indoor and outdoor learning environment, ensuring resources are well organised, appropriate and support purposeful play and learning.</p>
Emotional and cultural environment	<p>Promote a positive, inclusive and emotionally safe environment where children and adults feel valued and supported.</p> <p>Model positive behaviour, emotional co-regulation and contribute to the co-creation of shared expectations.</p>
<b>Ambition, Organisation and Development</b>	
Nursery and the Students' Union	<p>Undertake any reasonable duties required as part of the role, working effectively as part of the early years team, contributing positively to the Nursery's ethos, curriculum and outcomes.</p> <p>Operate in line with wider organisational policies and procedures.</p>
Children and families	<p>Build strong partnerships with parents and carers, sharing information about children's development and supporting continuity between home and nursery as well as signposting families to additional support where appropriate</p> <p>Advocate for children, valuing their voices and positively influencing their attitudes and behaviours.</p>

Personal development and professional practice	<p>Participate in staff meetings, training and development opportunities to continuously improve practice and knowledge.</p> <p>Promote effective teamwork and communication to support collaborative practice.</p>
